Should CalPERS deny the City’s request, City agrees to work with an actuary to determine the approximate equivalent defined contribution solution via a 457 Plan and provide the Officer with an annual flat dollar contribution (spread evenly over pay periods) based on the present value of the benefit differential at retirement while he is employed in good standing with the City until age 50.

7. RIGHT OF APPEAL

The Association may appeal any level of discipline by filing a notice of appeal in writing to the charges set forth in the Order of Discipline with the City Human Resources Director prior to the effective date of the discipline.

The Human Resources Director shall review said Order and appeal, and shall then hold a meeting within five (5) working days from the date of service of the Order, to discuss the disciplinary action and appeal with the employee, The Association and the appointing authority. The order of discipline shall be postponed until such time as the disposition of the meeting is finalized. In the event an agreement regarding disposition of the matter cannot be reached with five (5) working days after the meeting, The Association shall have the right to refer the matter to arbitration. Such referral shall be made by written demand submitted to the City Administrator. The timelines above may be extended by mutual agreement of the parties.

C. APPEAL ARBITRATION (GRIEVANCE AND DISCIPLINE)

Upon receipt of an arbitration request by The Association, the City Manager or his/her designee shall order that the matter be heard by an arbitrator selected from a listing of arbitrators supplied by the State Conciliation Service. The arbitrator shall be selected from a listing of three (3) individuals identified by the State Conciliation Service who have been previously identified by the parties as mutually agreeable.

The arbitrator shall be bound by the language of the Agreement, City rules and regulations and Law consistent therewith in considering any issue before them. The arbitrator shall have no authority to add to, delete or alter any provision of the Agreement, but shall limit his/her decision to the application and interpretation of its provisions and Law.

All costs related to the hearing incurred by the arbitrator and all fees of the arbitrator will be shared equally by the parties.

The following rules shall apply to any hearing conducted under the provisions of the Section:

- (a) The hearing shall be public except that if the employee requests that the matter be heard privately, it shall be so heard.
- (b) The provisions of Section 11507.6 of the Government Code shall provide the exclusive right to and method of discovery except that time limitations will be those established by the arbitrator.
- (c) Evidence may be submitted by affidavit or by deposition in accordance with the provisions of Section 11514 and Section 11511 of the Government Code, respectively.

Recognizing the City's need to provide continuity of services to the public, the Association shall provide a list of required witnesses in advance of any scheduled hearing and shall insure that the number of witnesses and their scheduling shall be reasonable.

D. DECISION

The arbitrator's decision, supported by written findings, shall be final and binding upon all parties and shall not be subject to any modification by the City Council and shall be presented and acted upon in a timely fashion by mutual agreement of the parties.

ARTICLE 29 - LAYOFF

A. LAYOFF

1. The appointing authority may lay off employees pursuant to this section whenever it becomes necessary because of lack of work or funds, or whenever it is deemed advisable in the interest of economy to reduce the force in a department or office.
2. The City shall give the Association notice prior to implementation of any proposed layoff and shall consult with the Association, in good faith, regarding the effects of the said layoff. Such consultation shall not delay the effective date of the layoff unless an agreement is reached to postpone or cancel the proposed layoff.

B. ORDER OF LAYOFF

Employees in the same department and within the same classification shall be laid off as follows:

1. All extra help and provisional employees shall be laid off, in an order determined by the appointing authority, before any probationary employees.
2. All part-time probationary employees shall be laid off, in an order determined by the appointing authority, before any full-time probationary employees.
3. All full-time probationary employees shall be laid off, in an order determined by the appointing authority, before any regular employee.
4. All part-time regular employees shall be laid off, in an order determined by the appointing authority, before any regular full-time employees.
5. When it becomes necessary to reduce the force by layoff of regular, full-time employees, seniority and the ability to perform the work shall be the determining factors. For the purpose of applying this section only, performance shall be defined as annual or probationary performance evaluations submitted 90 days prior to the issuance of a layoff notice.

Layoffs shall be made by classification and by department in accordance with the following procedure and in the following order:

- a. All employees within the classification of a position which is being abolished whose most current annual or final probationary performance report was less than overall "satisfactory" shall be laid off before any employee in the same classification whose performance report, as defined above, was overall "satisfactory". Within this group, a less senior employee shall be laid off before an employee with more seniority.
- b. Whenever it becomes necessary to lay off employees whose performance report, as defined above, was overall "satisfactory" the said layoffs shall occur in an order determined by the appointing authority, based on his/her assessment of the affected employees' overall ability and willingness to perform.
- c. Except as otherwise provided, any employee who has been displaced as a result of the application of the provisions of this section shall be permitted to exercise bumping rights into a lower classification within the same classification series and within the same department. If an employee should elect to exercise his/her bumping rights as provided herein, then such employee shall be judged against all employees within the said lower classification in accordance with the foregoing methodology, giving proper weight to the

factors of performance and seniority. Such bumping right must be exercised within ten (10) days of the date of layoff notice.

In the case of a tie in seniority pursuant to this section, such tie shall be broken by counting all time in City service.

If this method of breaking ties in seniority results in a tie, the order of layoff shall be determined by lot as drawn by the Personnel/Human Resources Director.

d. Any employee bumped pursuant to (c) above, shall be permitted to exercise bumping rights into an existing lower classification within the same series and within the same department, where applicable.

C. INTERDEPARTMENTAL TRANSFERS

The Personnel/Human Resources Director shall have the authority, at his/her discretion, to transfer any employee who is laid off pursuant to this section to any vacancy in any department, provided the employee is qualified for the said vacancy.

D. SENIORITY DEFINED

For the purpose of applying this section only, seniority shall be defined as:

1. The total number of calendar days an employee has been employed in a regular or temporary capacity and on active pay status in the classification of the employee or group of employees subject to layoff or bumping, except that in the case of a regular employee, approved leave of absence with or without pay shall also count as time worked on active pay status. Time worked in another classification of equal or greater pay grade and within the same series shall count as time worked within the classification of the employee or group of employees subject to layoff or bumping.

2. Seniority shall not include any period during which an employee was:

a. On leave without pay for disciplinary reasons; or

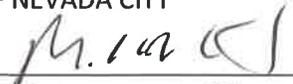

b. Not actually in City employment because of his or her voluntary termination, layoff, or other cause.

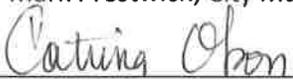

3. For any employee who is re-employed after being discharged for cause or any probationary employee discharged during the probationary period, seniority shall not include any time worked prior to his or her succeeding appointment.

4. Seniority shall include any time during which an employee is on approved paid or unpaid leave of absence and receiving workers' compensation benefits for an acknowledged job-incurred injury. Such time shall be counted as time worked for purposes of determining seniority and no employee shall suffer any loss of seniority for purposes of layoff where the fact of his/her leave of absence is caused by a bona fide work-related injury.
