

**Agency/Company:** City of Nevada City/ Nevada City CA  
**Location:** Nevada City California  
**Title:** Wastewater treatment OIT/ Water Treatment Operator II  
**Salary Range:** Dependent on experience and qualifications

### Description

Nevada City is currently seeking interested applicants to fill the wastewater OIT/Water Treatment 2 Operator position.

Nevada City wastewater treatment facility is nestled in beautiful Deer Creek canyon and utilizes several contemporary treatment processes. The plant went through a multi million dollar upgrade which was completed in 2007. It is a Tertiary Treated Activated Sludge Plant that utilizes a SCADA system for plant monitoring and process control.

The City also maintains it's own Potable Water Treatment Plant, and the successful applicant will assist in the operation and weekend coverage of this facility

Nevada City is a community of about 3000 people located 60 miles northeast of Sacramento in the picturesque foothills of the Sierra Nevada Mountains. A beautiful, rural town established during California's gold rush, Nevada City has preserved its rich historical flavor. Though the town is in a rural setting, the diverse recreational and entertainment activities available give this city a rich cultural feel.

### Requirements

Applicants for the position of Wastewater OIT/Water Treatment II Operator shall possess a valid Operator in Training Certificate from the State of California or be able to acquire one upon hire. The applicant shall also possess a valid Water Treatment Operator T-2 license from the State of California. In addition, the new hire will be expected to qualify for, and pass the Grade II Wastewater Treatment Plant Operator Certification Exam within 16 months of hire.

Possession of a valid California Drivers License.
