

# Nevada City Newsletter

CITY OF NEVADA CITY

## CITY HALL CLOSED

- Jan 1  
New Years Day
- Jan 20  
MLK Day
- Feb 17  
Presidents Day

## MARK YOUR CALENDAR

**Feb 17th:** Last day to register if you want to vote in the March election

**Mar 3rd:** Election Day - Nevada City residents will be voting for City Council positions

A list of candidates can be found on the City's website: <https://nevadacityca.gov/files/documents/2020CandidateList1329065830121219PM.pdf>

## PARKING METER INCREASES

The parking meters in downtown Nevada City will be changing from 25¢ per hour to 50¢ per hour.

Parking meters will accept quarters, nickels & dimes, but not pennies or foreign currency.

## THANKFUL FOR 2019

As we push forward into the new year, there are always new goals and resolutions to be made. The City would like to pause and reflect on the past year. We have many people and organizations to be thankful for, for the volunteer hours and many projects that they help the City accomplish.

**49er Rotary:** completed a work day at Pioneer Park, where they painted the bathrooms and kitchen in Seaman's Lodge and assisted with some spring clean up around the park.

**Lions Club:** Installed new benches at the playground and planted new trees at Memorial Grove in Pioneer Park.

**Trail Adoptees:** Members of

the public, organizations or businesses can adopt trails. The City is grateful the extra care they give to these recreation facilities. If you would like to become a trail adopter contact Shaun at Bear Yuba Land Trust, [shaun@bylt.org](mailto:shaun@bylt.org) or 530-272-5994 x203.

**Volunteers:** There are too many to list, but those who assist with downtown clean up, trail maintenance and Police Dept. operations, your time is very much appreciated by the City and the public.

The City is also excited about the projects we were able to complete during 2019. A more complete list can be found on the City's website as part of the Strategic Plan

document.

- Upgraded bathroom at Pioneer Park
- Fire Clearing projects on City open space parcels
- New windows and refinished the floor at Seaman's Lodge
- Upgrades to the Tennis Court Picnic Area at Pioneer Park
- Acquired a new fire engine
- New/repared sidewalks on Broad St.
- We now accept credit cards at City Hall and the swimming pool

## SIDEWALK PROJECTS

The City is working on sidewalk projects on Pine St. and Boulder St. The Pine St. sidewalk was repaired recently and the railing should be installed by the end of January to complete that project.

Boulder St. sidewalk repairs

are just getting started, so detours and delays on Boulder St. should be expected January–March.

The improvements include pouring of concrete to replace cracked and damaged walkways and handrails. The hand-

rails are being placed due to the elevation of the sidewalks.
