CHECKLIST FOR DEMOLITION APPLICATIONS

This packet contains filing forms and instructions for completing an application for demolition of a building within Nevada City. This application applies to projects that include:

1. Demolition inside the Historical District or property adjacent to the historical district (check map at City Hall or contact City Planner)
2. Demolition or exterior alteration to any building inside the Historical District or any pre-World War II buildings located outside the historical district (constructed before 1942)
3. **Major Projects** defined as:
 - a. Whenever 25% or more of the siding will be replaced or 25% of the doors and windows will be replaced
 - b. Whenever 25% of the foundation will be replaced

The City's policy has been to discourage demolition of structures wherever possible. The City's zoning ordinance states:

"No building of special historical or architectural interest or value, or of the Mother Lode type of architecture...shall be torn down, demolished or removed unless such building shall be or becomes so damaged or dilapidated, whether from damage by fire or other elements or from natural deterioration that it is unusable and cannot reasonably be repaired or restored.

The Planning Commission acts as the Architectural Review Committee for all applications for architectural changes to any buildings and structures, or the removal or demolition of any structures. **The Commission adopted Resolution 2013-01 (attached) which reaffirms the City's policy in reviewing demolition or major projects. This Resolution also includes the standards the Commission applies to such projects; please review this information carefully.**

PROCESS: Once a complete application and DEMOLITION PLAN has been submitted, it will be scheduled for Planning Commission review. Some applications, such as new construction or major renovations, will require distribution by the City Planner to staff such as the City Engineer, Director of Public Works, Police Chief and the Fire Chief. This can take up to two or three weeks for their review and to provide comments and any conditions. Notification of any demolition will be given to property owners within 300-feet of this property. **The City Planner will then schedule the application before the Planning Commission, who meets on 3rd Thursday of each month at 1:30 p.m. at City Hall.** The applicant or their representative **MUST** be present to discuss the application at this meeting. The applicant will receive a copy of the agenda and staff report prior to the meeting.

Checklist for application submittal: Please include the following items as applicable:

- ___ 1. Demolition Application, signed by owner. If signed by a representative, include a letter of authorization from the property owner(s).
- ___ 2. **DEMOLITION PLAN** – See application for information to be included.
- ___ 3. Filing fee of **\$200** if the demolition is for an accessory building or
Filing fee of **\$500** for a primary building
