- Staff will tally the number of people in your group as they arrive. Only the number of people that were expected will be allowed through the entrance gate.
- Consider “over-estimating” your group number. Scheduling is done 2 weeks in advance; we will not be able to add extra guards the day of the event.
- Payment **MUST** be made at least 2 weeks prior to your rental.

**Hours of private rentals:** 5:00-7:30pm

**What is included?** The appropriate number of lifeguards will be provided for your group.

### Other information:

- You may bring in your own food and beverages.
- **NO GLASS CONTAINERS!**
- **NO ALCOHOLIC BEVERAGES!**
- BBQ's are allowed, but the renter is responsible for the safety of those around the BBQ.
- **Your group will NOT be allowed to enter the pool or swim before your rental start time and is expected to be cleaned up and exiting the pool at your rental end time.**
- The snack shack will NOT be open during a Private Rental.
- Water toys are allowed in the pool during Private Rentals, unless the lifeguards on duty say otherwise. For non-swimmers, only lifejackets are allowed to keep them afloat (no water wings) and an adult must be within an arms length reach of the child at all times.
- Refrigerator or freezer space is NOT guaranteed. If the space is not full of Snack Shack inventory, we will store food for you.
- There are no “in & out” privileges during private rentals. If your group is using the park the same day as the pool, you must designate times when children may come in and out of the pool.
- No electrical devices are allowed near the pool – only in the snack shack window.
- City employees may not accept monetary gifts.
- Please be aware that other activities could be taking place in the park that could affect parking or other aspects of your pool use.
